

Chapter Review

Chapter: Chapter Title

<p>Crucial points (formulae, explanations, diagrams, etc...)</p> <p style="color: red;">This section is used to highlight key points. Students can also include feedback from homework and tests here to highlight common mistakes they make and what to be aware of</p> <p style="color: red;">If done properly this becomes a revision cue card for the chapter.</p>
--

Exercise (i.e. 1A, 1B, Misc Ex1)	Students fill in what extra work they have done here
Questions	This can then be used to inform any structured conversations with students
Time Spent	

End of Chapter Grade	Feedback	Action	Date
	Students fill this in to show they have acted upon feedback from their marked work.		

@pbrucemaths

Personal rating 1 – very confident 2 – confident with practice 3 – still a bit unsure 4 – very unsure	
--	---

Students rate how they found the chapter and can focus their extra work/revision on the chapters they find most difficult
